MARCH 2022

There's not many places you can go and get an unsecured loan for rates as low as ours

Our unsecured loan rates start as low as 6.5%, with limits up to \$20,000. Rates are based on your credit score and limits are based on your length of employment. See our website for complete breakdowns of rates and limits.

Let's not forget our low vehicle loan rates

Both new and used car loan rates start as low as 2.45%. Full breakdown is also on our website. Bring us a sales contract with the rate the dealer is giving you and we'll either give you .25% below that rate or our rate, whichever is lower (rates cannot be lower than our lowest published rate). We're working hard to get your loans.
